Bendi Forklift Operator

Description

Certified Bendi Forklift Operator — Distribution companies seek skilled and reliable Bendi forklift operators to join their warehouse teams. As a forklift operator, you will be responsible for operating various forklifts, such as Bendi, to move, locate, stack, and count merchandise in our warehouse.

Responsibilities

- Load, unload, and move products and materials by hand or using basic material-handling equipment, such as reach turret and Bendi forklifts.
- Operate forklifts in a safe and efficient manner, following all company policies and procedures.
- Perform daily inspections and maintenance of forklifts and report any malfunctions or damages.
- Pick orders from warehouse shelves and prepare them for shipment, using RF scanning equipment and labels.
- Put away products and materials in designated locations, using forklifts and other equipment.
- Maintain accurate records of inventory movements and transactions, using warehouse management software and systems.
- Comply with all warehouse safety rules and regulations, such as wearing protective gear, keeping aisles clear, and reporting any hazards or incidents.
- Perform other warehouse duties as assigned by supervisors or managers.

Qualifications

- High school diploma or GED
- Speak English
- You must have verifiable experience to be a responsible individual with great experience in driving industrial forklift vehicles.
- You will be TESTED on your level of experience and skills.
- Valid CDL
- Be presentable
- Must pass a drug test
- Must pass a background check

Job Benefits

- Direct Deposit Available
- Weekly Pay
- Signing Bonus
- Referral Program
- Forklift Certification Reimbursement Program
