## General Warehouse Worker – Ontario

### Description

**General Warehouse Worker** — A general warehouse worker performs various tasks related to the storage, handling, and distribution of goods in a warehouse setting. Some of the common duties of a general warehouse worker include:

- Loading and unloading products from trucks, containers, or pallets using forklifts, hand trucks, or other equipment.
- Sorting, labeling, and storing products in designated areas according to inventory procedures and standards.
- Picking, packing, and scanning orders for delivery or shipment using barcode scanners, computers, or other devices.
- Checking and verifying the quality and quantity of products received or shipped against documents or records.
- Maintaining the cleanliness, safety, and security of the warehouse area and equipment.
- Reporting any damages, defects, or discrepancies to supervisors or managers.
- Following all warehouse policies, rules, and regulations.

### Responsibilities

The responsibilities of a general warehouse worker vary depending on the type and size of the warehouse, but in general terms, they involve performing various tasks related to the storage, handling, and distribution of goods. Some of the common responsibilities of a general warehouse worker are:

- Loading and unloading products from trucks, containers, or pallets using forklifts, hand trucks, or other equipment.
- Sorting, labeling, and storing products in designated areas according to inventory procedures and standards.
- Picking, packing, and scanning orders for delivery or shipment using barcode scanners, computers, or other devices.
- Checking and verifying the quality and quantity of products received or shipped against documents or records.
- Maintaining the cleanliness, safety, and security of the warehouse area and equipment.
- Reporting any damages, defects, or discrepancies to supervisors or managers.
- Following all warehouse policies, rules, and regulations.
