## Production Worker

### Description

**Production Worker** — A production worker is responsible for operating and maintaining equipment in a factory or warehouse by preparing items for distribution. May assemble parts, use hand tools, and may assist in running machines.

### Responsibilities

**The Production Worker may:**

- Work on a manufacturing line
- Make changes by hand or by running machinery equipment
- Use hand tools
- Receive objects or parts on a conveyor belt, be responsible for your portion of the job, and then pass materials down the conveyor belt to the next line worker.

### Qualifications

**Production Workers should have:**

- Good practical skills
- Ability to work quickly while doing repetitive tasks
- Ability to follow instructions
- 6 months to 2 years of experience in a production work environment.
- Good dexterity
- Good communications skills
- Ability to pass a background check & drug testing

### Job Benefits

- Direct Deposit
- Weekly Pay
- Signing Bonus
- Referral Program
